Job Type Internship

Duration Winter Quarter

Approximate Hours Per Week 20 - 40

Description

At VSH we're focused on the success of our clients.

As an intern at VSH you'll receive a rich experience during your time with us. You'll have exposure to a variety of business advisory, tax and financial accounting projects, and will take part in a wide range of assignments under the supervision of firm managers and partners.

Our internship experience provides a meaningful introduction to our firm – which has broad expertise in all fields of business consulting and accounting, yet is still small and personable enough to allow you to work closely with a group of strong business advisors. As a member of a progressive firm that utilizes technology to advance business practices, you'll work on a team that is a leader in the industry.

More than just preparing taxes...

During your internship at VSH you'll have a chance to be involved in:

- the planning and scheduling of engagements
- participation in client meetings and client responsibility
- discussing strategies related to client scenarios
- develop customized plans for client needs under the supervision of firm Managers and Partners, with peer support and collaboration
- firm practice development and marketing through involvement with referral sources
- community and industry activities
- practice management including training, technology and marketing
- development in a broad range of focus areas including business advising, international taxation, A&A, tax research, and niche areas
